

Elios

SMALL TABLES

2002

Antonio Citterio

Description

The series of Elios small tables, with circular base and vertical steel uprights in different finishes, is designed specifically to be placed in front of the sofa or right at the break in the sofa backrest. Ideal for resting your tablet, diary, or cocktail on. It is available in either an oval or round shape, with or without the removable oak tray, which comes in different finishes or shellac.
