

## Clio

ARMCHAIRS

2004

Antonio Citterio

## Description

---

The Clio armchair is characterised by a light but solid frame in solid wood available in different finishes. The backrest echoes the same finishes as the frame and can be covered in leather or fabric or with natural cellulose rope interlacing. Comfort is ensured by an upholstered seat cushion and a back cushion with flounces.

## Technical information

---

Frame  
solid wood  
Seat cushion  
shaped polyurethane of different density, sterilized down, polyester fibre cover  
Back cushion with flounce  
sterilized down, polyester fibre, cotton cover  
Back (SMPR\_S)  
multi-layered wood panel, shaped polyurethane of different density, polyester fibre, sterilized down
