Antonio Citterio

Description

Amoenus Soft is a range of seats with a strong personality offering great comfort: a linear sofa in two sizes, modular elements to create corner sofas also with chaise longue, a circular and swivel sofa that can be used as a mid-room highlight piece. The upholstery is available in fabric with eco-leather profiles and in leather with refined “profile” stitching. The series is completed with a circular ottoman in two sizes and a swivel armchair with a curved back.
